Dear Dave

I wanted to write and thank you and your members again for the wonderful donation of £530.00 received on Saturday evening. This virtually covers a full year's fuel costs for our boat and is very much appreciated.

Thank you too for inviting Paula and I to your Presentation Evening to receive the cheque and to share in your refreshments. A most pleasant evening.

We hope to be able to welcome your members on a boat trip next season - John Collier will be able to arrange this for you.

Best Regards

Colin Neal
